Subpart C—Specific Permit Provisions

§ 21.21 Import and export permits.

(a) *Permit requirement.* (1) Except for migratory game birds imported in accordance with the provisions of subpart G of part 20 of this subchapter B, an import permit is required before any migratory birds, their parts, nests, or eggs may be imported.

(2) An export permit is required before any migratory birds, their parts, nests, or eggs may be exported: *Provided*, that captive-reared migratory game birds that are marked in compliance with the provisions of § 21.13(b) may be exported to Canada or Mexico without a permit. *Provided further*, that raptors lawfully possessed under a falconry permit issued pursuant to § 21.28 of this part may be exported to or imported from Canada or Mexico without a permit for the purposes of attending bona fide falconry meets, as long as the person importing or exporting the birds returns the same bird(s) to the country of export following any such meet. Nothing in this paragraph, however, exempts any person from the permit requirements of parts 17, 22, and 23 of this subchapter.

(b) *Application procedures.* Applications for permits to import or export migratory birds shall be submitted to the appropriate issuing office (see §§ 10.22 and 13.11(b) of this subchapter). Each such application must contain the general information and certification required by § 13.12(a)(5) of this subchapter plus the following additional information:

- (1) Whether importation or exportation is requested;
- (2) The species and numbers of migratory birds or their parts, nests, or eggs to be imported or exported;
- (3) The name and address of the person from whom such birds are being imported or to whom they are being exported;
- (4) The purpose of the importation or exportation;

50 CFR Ch. I (10–1–07 Edition)

(5) The estimated date of arrival or departure of the shipment(s), and the port of entry or exit through which the shipment will be imported or exported; and

(6) Federal and State permit numbers and type of permits authorizing possession, acquisition, or disposition of such birds, their parts, nests, or eggs where such a permit is required.

(c) *Additional permit conditions.* In addition to the general conditions set forth in part 13 of this subchapter B, import and export permits shall be subject to any requirements set forth in the permit.

(d) *Term of permit.* An import or export permit issued or renewed under this part expires on the date designated on the face of the permit unless amended or revoked, but the term of the permit shall not exceed three (3) years from the date of issuance or renewal.

§ 21.22 Banding or marking permits.

(a) *Permit requirement.* A banding or marking permit is required before any person may capture migratory birds for banding or marking purposes or use official bands issued by the Service for banding or marking any migratory bird.

(b) *Application procedures.* Applications for banding or marking permits shall be submitted by letter of application addressed to the Bird Banding Laboratory, Office of Migratory Bird Management, U.S. Fish and Wildlife Service, Laurel, Maryland 20708. Each such application shall contain the general information and certification set forth by § 13.12(a) of this subchapter plus the following additional information:

- (1) Species and numbers proposed to be banded or marked;
- (2) Purpose of banding or marking;
- (3) State or States in which authorization is requested; and
- (4) Name and address of the public, scientific, or educational institution to which any specimens will be donated that are salvaged pursuant to paragraphs (c) (3) and (4) of this section.

(c) *Additional permit conditions.* In addition to the general conditions set forth in part 13 of this subchapter B,

banding or marking permits shall be subject to the following conditions:

(1) The banding of migratory birds shall only be by official numbered leg bands issued by the Service. The use of any other band, clip, dye, or other method of marking is prohibited unless specifically authorized in the permit.

(2) All traps or nets used to capture migratory birds for banding or marking purposes shall have attached thereto a tag or label clearly showing the name and address of the permittee and his permit number, or the area in which such traps or nets are located must be posted with notice of banding operations posters (Form 3-1155, available upon request from the Bird Banding Laboratory, Office of Migratory Bird Management, U.S. Fish and Wildlife Service, Laurel, Md. 20708) which shall bear the name and address of the permittee and the number of his permit.

(3) The holder of a banding or marking permit may salvage, for the purpose of donating to a public scientific or educational institution, birds killed or found dead as a result of the permittee's normal banding operations, and casualties from other causes. All dead birds salvaged under authority of a migratory bird banding or marking permit must be donated and transferred to a public scientific or educational institution at least every 6 months or within 60 days of the time such permit expires or is revoked, unless the permittee has been issued a special permit authorizing possession for a longer period of time.

(4) Permittees must keep accurate records of their operations and file reports as set forth in the North American Bird Banding Manual, or supplements thereto, in accordance with instructions contained therein.

(d) *Term of permit.* A banding or marking permit issued or renewed under this part expires on the date designated on the face of the permit unless amended or revoked, but the term of the permit shall not exceed three (3) years from the date of issuance or renewal.

§ 21.23 Scientific collecting permits.

(a) *Permit requirement.* A scientific collecting permit is required before any person may take, transport, or possess migratory birds, their parts, nests, or eggs for scientific research or educational purposes.

(b) *Application procedures.* Submit applications for scientific permits to the appropriate Regional Director (Attention: Migratory bird permit office). You can find addresses for the Regional Directors in 50 CFR 2.2. Each application must contain the general information and certification required in § 13.12(a) of this subchapter, and the following additional information:

(1) Species and numbers of migratory birds or their parts, nests, or eggs to be taken or acquired when it is possible to determine same in advance;

(2) Location or locations where such scientific collecting is proposed;

(3) Statement of the purpose and justification for granting such a permit, including an outline of any research project involved;

(4) Name and address of the public, scientific, or educational institution to which all specimens ultimately will be donated; and

(5) If a State permit is required by State law, a statement as to whether or not the applicant possesses such State permit, giving its number and expiration date.

(c) *Additional permit conditions.* In addition to the general conditions set forth in part 13 of this subchapter B, scientific collecting permits shall be subject to the following conditions:

(1) All specimens taken and possessed under authority of a scientific collecting permit must be donated and transferred to the public scientific, or educational institution designated in the permit application within 60 days following the date such permit expires or is revoked, unless the permittee has been issued a special purpose permit (See § 21.27) authorizing possession for a longer period of time.

(2) Unless otherwise provided on the permit, all migratory game birds taken pursuant to a scientific collecting permit during the open hunting season for such birds must be in conformance with part 20 of this subchapter;
